

**Talk it over...with your friends, family, or Growth Group.**

*Talking through the ideas presented in Sunday's message helps us apply God's word to our individual lives. These questions are designed to help you put His words into action in your life this week.*

- Have you ever felt like you were being asked to make a choice between following God and following “the world?” What was that like? How did you handle that decision?
- In what areas of your life right now do you need some encouragement? How can remembering that God wins help you right now? What can you do to help that make a practical difference in your life today?
- All of us have a choice to make as to which god we will serve. Have you ever stopped and made that choice? If you had to choose today—what choice would you make? And what real difference would that make in your life?

**Some next steps:** Here are some things you can do this week to dig deeper:

- Congratulations, we made it! We've finished the NT 40 reading plan. This week take some time to stop and look back at your experience over the last eight weeks. What have been the greatest lessons, challenges, or insights that you've gained from this study?
- Spend some time before next Sunday prayerfully asking the question “What's next?” What next step do you feel like God is calling you to take to continue to grow in your relationship with him?
- Join us next Sunday with your answers to these questions on your mind. We'll spend some time celebrating what God has done but also talking about what we as a church can learn from NT 40 and what our next steps will be as we continue moving forward.
