

## **Talk it over...with your friends, family, or Growth Group.**

*Talking through the ideas presented in Sunday's message helps us apply God's word to our individual lives. These questions are designed to help you put His words into action in your life this week.*

- What were the most important lessons that you feel like you learned from NT40? What were the biggest surprises? What were the biggest “take aways” that you had?
- In light of what you read, what do you feel like God is calling you to focus on over the next few months? What do you feel like he is calling you to do in order to keep growing in your relationship with him?
- If you had to summarize what the NT 40 experience was like for you and share it with a friend how would you do it?

**Some next steps:** Here are some things you can do this week to dig deeper:

- Joe mentioned that on December 12<sup>th</sup> we will be holding a Christmas Café in order to invite people who are far from God to join us for a fun evening that will help them begin to connect with God and with his church. This week prayerfully ask God to bring to mind some names of people that you can invite to this.
- Once you have some names in mind, write them down and commit to praying for them every day between now and December 12<sup>th</sup>. Pray that God will provide you a natural way to invite them to the Café and that they will respond by saying “yes.”
- If you didn't have a chance to finish it this morning, take some time this week to fill out the “your part” of the sermon notes, using the questions above to help you.
