Is your God great enough?

Talk it over...with your friends, family, or Growth Group.

Talking through the ideas presented in Sunday's message helps us apply God's word to our individual lives. These questions and thoughts are designed to help you put His words into action in your life this week. We encourage you to talk these over with other Christians that you are close to.

What are some ways that you have begun to grasp how "wide and long and deep and high is the love of Christ"?

What do you think are some of the reasons the world failed to recognize who Christ was during Jesus' time? What are some of the reasons people today don't recognize him?

What are some of the ways you need to expand your "scope" about God?

What are some of the ways that Jesus has proved himself to be bigger than the "storms" that have come into our lives?

What are you relying on to be the sustainer of your life? Is it Jesus or "Jesus plus" or just one of the "pluses"?

As you look at the attributes of God listed in the song, "Forever Reign", which one strikes you as being "something I really need to hear"?

What is your main "take-away" from this week? How do you plan to live that out?

Read over the various scriptures presented in this week's sermon and think about what God might be teaching you. (Note: these might be different than what was presented in the sermon.)
