“Just Do It”

Talk it over...with your friends, family, or Growth Group.

Talking through the ideas presented in Sunday's message helps us apply God's word to our individual lives. These questions are designed to help you put His words into action in your life this week.

Has any aspect of the "Christmas Story" become more amazing to you this year than it has in the past? If so, what was it?

Why do you think God came to earth in the manner that He did?

If we truly grasped the wonder of Christmas, what difference do you think it should make in our lives? Has it made that kind of difference? Why or why not?

Now that you have thought about it, are you planning to do anything differently this year? Why or why not?

What are some of the ways you might have unintentionally kept Jesus obscured or hidden from sight this year? How can you make Him a more prominent part of your Christmas experience?

Review the scriptures presented in this week's sermon and think about what God might be teaching you? (Note: these might be different than what was presented in the sermon.)

What is your main "take-away" from this week? How do you plan to live that out?
