Talk It Over

Talking through the ideas presented in Sunday’s message helps us apply God’s word to our individual lives. These questions and thoughts are designed to help you put His words into action in your life this week. We encourage you to talk these over with other Christians that you are close to.

What has been the empowering force in your Christian life? Possible options include will power, commitment to being good, trying hard, financial resources, other people, etc. Where has the Holy Spirit fit in this?

What do tend to focus on when you “step out of the boat” in seasons of choppy waters? What difference does focusing on Jesus make?

Even though you might not have known at the time, can you look back and see times where the Holy Spirit was working ”with you and in you” How can those times be helpful in the present?

What do you need to do to become more attuned to the leading of the Holy Spirit? Are you willing to do that? Why or why not”

Who is someone that has had a “positive impact for Christ” in your life? What did they do that had such an impact?

As you review Paul’ list of the “fruit of the Spirit”, where do you see the Spirit working your life?

What is your main “take-away” from this week? How do you plan to “live out” what you have heard this morning?

NOTE: If you signed up for “I’m In”, don’t forget to be praying for the person that God would have you reach out to.
