## Talk it over…with your friends, family, or Growth Group.

*Talking through the ideas presented in Sunday's message helps us apply God's word to our individual lives. These questions are designed to help you put His words into action in your life this week.*

**What is your reaction when you hear someone say that they have access to the truth and it is different from what you believe? How do you think Jesus would want to handle such a situation?*

**How do you think people would react if you proclaimed that Jesus was "the truth" and leaders/founders of other great religions were wrong?*

**Do you think people who reject the notion that Jesus is the one way to God base their rejection on evidence or simply that it feels unfair or narrow minded? Do you think it is too narrow-minded? If so, how do reconcile that belief with John 14:6? Was Jesus simply wrong? If so, where else is He simply wrong?*

**If our values are driven by our beliefs, is it even possible to keep our commitment to Jesus completely private?*

**How can you overcome the stigma of narrow-mindedness as you communicate the love of Jesus to your friends?*

**How have you experienced God's grace recently? How have you extended God's grace to others?*

### Scripture for review
