Talk it over…with your friends, family, or Growth Group.

Talking through the ideas presented in Sunday's message helps us apply God's word to our individual lives. These questions are designed to help you put His words into action in your life this week.

1. Where do I place myself on the political spectrum?
2. On a scale of 1-5 (where 1=very doubtful and 5=very certain), how would I describe my confidence level that my politics are driven by Christian moral values?
3. What makes me maddest about the cultural or political environment today and why?
4. How would I describe my comfort level in talking with people who are at a very different place than I am?
5. Does Matthew 12:25 have anything to say about our current politics?
6. What can Christians do or say to be "salt" in our culture? (Matthew 5:13)
7. Read Romans 12. How should we live in the light of this passage?

Note: Don't forget to be praying for the people around you.
