*Talking through the ideas presented in Sunday’s message helps us apply God’s word to our individual lives. These questions are designed to help you put His words into action in your life this week.*

- Has there ever been a time when you faced a situation that seemed hopeless? Or when you were disappointed with God because He didn’t answer a prayer the way you wanted Him to? What was that experience like? What questions did it raise for you and how did you resolve them?
  
- Read John 11.1-44. What do you think is the main message (or messages) of this story?
  
- What are the ways we can share the message of this story with others?
  
- Why do you think the disciples were confused or misunderstood Jesus’ words in verse 11?
  
- What does this story (and Jesus’ prayer near the end of it) tell you about Jesus and His relationship with the Father? What difference should that make in your life today?
  
- In what ways does this story give us hope for today and for the future?
  
- Has there ever been a situation in your life when you couldn’t see God working at the time, but looking back you see how He was working? What does reflecting on situations like that teach you?
  
- How did you encounter God today? Why do you think you were here? What do you need to do with what you experienced or heard?

**Note: Don’t forget to be praying for the people around you.**
