

EMBRACE A NEW Normal

“Family and Christmas”

Luke 2:15-19

Rev. Mike King

December 8, 2013

Talk it over...with your friends, family,
or Growth Group.

Talking through the ideas presented in Sunday’s message helps us apply God’s word to our individual lives. These questions are designed to help you put His words into action in your life this week.

- What were some of your favorite Christmas memories from your childhood? What stands out to you about those memories that lead you to call them your “favorites”?
- What, if any, traditions did your family have around the holidays that helped you reflect on the truths of the Christmas story?
- What kinds of things can you do to help remember who God is and what He has done? Did any of the ideas talked about today sound like practical things that would help you?
- Why do you feel like God put such a huge priority on remembering, reiterating, and teaching the next generation?
- What are some practices or routines that you might intentionally add to your schedule this Advent season? What things might you need to stop doing in order to make room for that?
- What do you need to do this year to experience again the joy and wonder of Christmas?
- How did you encounter God today? Why do you think you were here? What do you need to do with what you experienced or heard?
