Talk it over...with your friends, family,  
or Growth Group.

*Talking through the ideas presented in Sunday's message helps us apply God's word to our individual lives. These questions are designed to help you put His words into action in your life this week.*

*There were several verses cited in this Sunday's sermon. These include II Timothy 3:16, I Corinthians 12, Hebrews 10:24-25, Matthew 22:37-38, and Colossians 1:9-10. Read over these simply to see what God tells you as you read them.*

*What have you been doing to help yourself "know Christ and make Him known?" What could you be doing to assist the church to help others focus on these goals?*

*How do you deal with disagreements and frustrations with other people in the same "huddle"?*

*What gifts or skills do you have that you believe could help the church be more effective? Have you been willing or able to use them? Why or why not?*

*What constitutes a "win" for you as you attend church? In other words, what makes church "more" for you?*

*What are some things you are doing to reach out and love your colleagues and neighbors?*
