

Talk it over...with your friends, family, or  
Growth Group.

*Talking through the ideas presented in Sunday’s message helps us apply God’s word to our individual lives. These questions are designed to help you put His words into action in your life this week.*

- If Jesus has “finished” the work that needed to be done to “save” us, why not just “kick back” and do what we want?
  
- What is some “unfinished business” God might have left for you to do?
  
- What motivated Jesus to finish the task God the Father had called Him to? What are some of the things that motivate you?
  
- Read over the interaction between Jesus and Mary. Try to describe what that must have been like for each of them? Why do you think Mary wanted to be there? Do you think it offered any encouragement to Jesus? How are you at being “present” during difficult times for those you love?
  
- Does it surprise you that Jesus was thirsty? What are some of the things people are thirsty for today in our world? How do they try to satisfy their thirst?
  
- Who are you going to pray for this week to accept the “finished” work of Christ? How are you going to reach out to them?
