Colossians 1

Talk it over…

with your friends, family, or Growth Group.

Talking through the ideas presented in Sunday's message helps us apply God's word to our individual lives. These questions are designed to help you put His words into action in your life this week.

- What messages do you hear in our world today about how we can make things right between us and God? Is that even possible? If so, how does someone get there?

- What are some examples that you can think of when people seem to be operating with a "Jesus plus…." understanding of salvation?

- How would you summarize the message of Paul's letter to the Colossians to a friend? Base your answer not just on what you heard in the message today but—more importantly—base it on your own reading of the text! (see below)

- Take some time this week to read through the whole book of Colossians in one sitting. It should take less than 20 minutes. As you read it, take notes on what jumps out at you. What things are repeated? What questions does Paul seem to be answering? What do you think is his main point?

- How did you encounter God today? Why do you think you were here? What do you need to do with what you experienced or heard?
