Colossians 1:27-2:7

Talk it over…

with your friends, family, or Growth Group.

Talking through the ideas presented in Sunday's message helps us apply God's word to our individual lives. These questions are designed to help you put His words into action in your life this week. We hope that as you talk it over, you will be better equipped to more effectively communicate the love of Christ to others.

- How would you describe "church"?
- Do you think of yourself as being an "active" minister? Why or why not? Where are some places in your day to day life that you can "proclaim" Christ?
- Read over chapter two of Colossians several times this week. Ask God to show some things you need to know about living more effectively in "the shadow of the cross".
- Who is someone you know that needs encouragement, love, challenging, etc.? What are you going to do as a result?
- What is a relational issue that you need to "tend to" now?
