“Rethink” (Romans 12:1-2)

Talk it over...with your friends, family, or Growth Group.

Talking through the ideas presented in Sunday’s message helps us apply God’s word to our individual lives. These questions are designed to help you put His words into action in your life this week.

- Think of a time when you did something that made you ask “What was I thinking?” Did you take the time to really find an answer to that question? If you did, what were you thinking—and how did it lead to the outcome you experienced?
- As we head into the fall, are there areas in your life where you hope that “next time” isn’t like last time? What part of your thinking needs to change so that your actions (and results) can be different this time?
- What experiences have you had where reading the Bible, hearing God’s word in sermons, Live Well classes, and/or Growth Groups, have challenged or corrected your thinking?
- Which of the “faulty ways of thinking” that Mike talked about today have you fallen into before? What kinds of things can help you transform your thoughts in that area?
- Looking for some good things to think about to help transform your mind? Spend some time reading Philippians 4:8 this week and try and put it into practice each day.
- What do you feel that God is calling you to do today with what you’ve heard?
- How did you encounter God today? Why do you think you were here?
