

## SERMON NOTES

“How Did They Do It?”

Dr. Joe Scruggs,  
Acting Senior Pastor

### Two foundational realities

1. Early Christians were aware that they were \_\_\_\_\_. That is, they had been \_\_\_\_\_ with the gospel. This \_\_\_\_\_ is now ours. (2 Tim 1:13-14; 2:1-2)
2. The power of the Holy Spirit is \_\_\_\_\_. (Acts 2:41-47)

### Priorities

They devoted themselves to the \_\_\_\_\_ teaching (2 Tim 2:1-6)

- Provided authority
- Preparation for the future

And to the \_\_\_\_\_ (2 Tim 3:14, The Message)

- Emotional Support
- Tangible Support

They stayed \_\_\_\_\_ to God

- With reverence and joy

They related to the “\_\_\_\_\_” community and world

### How did they do it?

1. They remembered that they were stewards
2. They were empowered by the Holy Spirit - the same Holy Spirit that is available to us today.
3. They kept their priorities
4. They went forward in the name and power of Jesus Christ
5. They knew that doing big things is often the accumulation of little things done for people.
