Associate Pastor of Discipleship

Acts 6:1-7

The church in Acts had \_\_\_\_\_ just like we do today.

**How did they handle their problems?**

1. They faced their problems \_\_\_\_\_.
2. They had a \_\_\_\_\_, \_\_\_\_\_ conversation with everyone involved.
3. They remembered that accomplishing their mission was their \_\_\_\_\_.

Stewardship is really about \_\_\_\_\_. It's about using all we have to get our mission done.

The Apostles realized that God gave them the mission of sharing his \_\_\_\_\_ with the lost.

We are called to \_\_\_\_\_ too. Even if we don't know how and don't feel comfortable doing it.
