

SERMON NOTES

“How to be a Missionary 101”

Rev. Mike King,
Associate Pastor of Discipleship

Acts 17:16-34

Paul’s approach in Athens:

1. He spoke a _____ they could understand.

Examples:

He went into the _____ to share with them.

He didn’t quote from the _____ since that didn’t mean anything to them.

He supports his points by quoting _____ they knew and admired.

2. He looked for places where _____ in their lives and he built on that.

3. He didn’t _____ the message.

The bottom line:

The _____ of Paul’s message never changed, but the _____ did.

The bottom line for us:

We are all _____, even if we never leave the US.
