

SERMON NOTES
"Running on Empty — MONEY"

Rev. Mike King
Associate Pastor of Discipleship

1st Timothy 6:6-10

How did we get into this mess anyway?

- We started believing that to be happy we had to _____ than we have right now.
- We sacrificed financial margin because we thought _____ something priceless.

How do we get out of this mess?

We let money do what _____ it to do.

1. We use our money to buy what we _____, not what people _____.
2. We use the margin we get as a result to _____.

Some things to wrestle with this week:

This week, talk to God about the financial stress you have in life. What decisions did you make that helped you get to where you are now?

What do you think God wants your financial life to look like? What steps do you need to take to get there? Would it help to ask Him to help you be content with what you have?

In what ways do you feel like God is calling you to love and serve others once you have the margin to do it? Dream big.
