IT'S A FUN DAY OF SERVING! Your entire family is invited to join us as we serve together to impact the Mark Twain & the 74127 community with Christ-like love in action. There is a Sports Clinic for children Pre-K-6th grade as well as beautification, organization and appreciation projects at the school. And, we've added the new "74127 TEAM UP TO CLEAN UP" neighborhood project. The sports clinic includes basic skills training for both Mark Twain children and our own children (Pre-K through 6th grade). *(In case of rain, we move inside and modify projects & sports as appropriate.)*
