2017**

**what's
up**

Lent Packets are available for pick up in your children's classrooms beginning Feb 19th.

We are needing volunteers to help out on Sunday mornings. There will be sign up sheets outside the classrooms. If everyone could pick a Sunday to volunteer that would be great!

Children Service Project: "On the Go Bags"

After hearing the sermon on loving your neighbor, we have decided to put together "On the Go Bags" for families to hand out to the homeless. Many people have said they would love to help but are not sure how to do so. We will be **collecting the following items: tube socks, water bottles & soft granola bars.** You can drop items off in the Children's Ministry office or in your classroom. We will begin collecting these items **Feb 1st through Feb 19th**. Then during **4th grade Bible Study on Feb 21st** students will put these bags together for their service project.

The Missions Team will have a kiosk in the Welcome Center for people to pick these items up. This would be a great gift to pass out during the Lenten season which begins on March 1st.

Kids Klubhouse on Sunday mornings has been great! It's so fun having the kids back in the sanctuary to worship with the congregation. Dismissal at the offertory has gone very smoothly. Thank you parents for making this an easy smooth transition!
