For parents new to the Orange curriculum...here's an overview of what we do on Sunday mornings....

## ORANGE 252 Basics Vision (1st - 4th)

### 252 Basics (Kid's Klubhouse 1st thru 4th grades)

"Jesus grew in wisdom and stature, and in favor with God and men" (Luke 2:52, NIV). So we want every kid to know and understand these three things:

- I need to make the wise choice (wisdom)
- I can trust God no matter what (faith)
- I should treat others the way I want to be treated (friendship)

All 252 Basics lessons focus on at least one of the three basic areas from this verse (wisdom, faith, and friendship) in addition to "traditional" concept areas (like God, Jesus, the Bible, the church, family, community, and self).

Be sure and check out this month's lessons, on the Parent Cue app. We are providing you, the parent, with all the resources you need to reinforce the all important life app of FRIENDSHIP. We start by defining it in a way all kids (from age 5 to 105) will understand:

FRIENDSHIP is using your words and actions to show others you care.

September's memory verse is: "A friend loves at all times. They are there to help when trouble comes." Proverbs 17:17

## THE ORANGE STRATEGY.....

"IT'S SIMPLE. ORANGE IS A STRATEGY THAT COMBINES THE CRITICAL INFLUENCES OF THE CHURCH AND HOME TO INCITE WONDER, PROVOKE DISCOVERY AND FUEL PASSION IN THE HEARTS OF THE NEXT GENERATION."

-Reggie Joiner

### Parent CUE app

Download onto your smart phone today!

This is a great way to review what was taught on Sunday. The CUE is designed to fit into the rhythm of your family's daily life. Simply choose which times fit your family's schedule and let the resources cue you to make the most of these everyday moments. Check it out!

## FIRST LOOK VISION - Nursery & Pre-K thru Kindergarten

First impressions are important. That's why we are using the First Look curriculum to give nursery age, preschool and kindergarten children a first impression of their loving heavenly Father. The curriculum keeps it simple and fun, repeating one basic truth about God all month long. The activities tickle all the senses making mastering the concepts a blast. Crazy fun activities to crafts to large group Bible story and worship time to small group Bible time, it's all part of the plan to help a child believe three key things by the time they are five years old:

- God made me.
- God loves me.
- Jesus wants to be my friend forever.

In addition, we also equip you with resources for the home. We call them Parent CUES (CUE app) because they're designed to "cue" parents to leverage everyday moments with their child to Connect to God's story, to Uncover something about life, and to Experience something together.

In September we are focusing on:

**Basic Truth:** God loves me, **Bottom Line:** God is always with me. **Memory verse:** "Be strong and courageous. Do not be afraid...for the LORD your God goes with you.: Deuteronomy 31:6, NIV

In addition to these great take home resources, parents are encouraged to visit [www.OrangeParents.org](http://www.OrangeParents.org) for a monthly podcast and many other resources.
